Scalable, Low-Drag Tactical Solution

The Tactical Operations Response Carrier (TORC) is a multipurpose plate carrier system designed to meet the demands of today’s Law Enforcement Operations & Tactical Teams. Its advanced design, ergonomic fit and low-profile architecture, all contribute to a true modular tactical body armor system. Both task force and tactical teams will benefit from this vest’s scalability. Designed with utility in mind, the TORC offers plate carrier simplicity with options for ballistic protection add-ons.
