Hard Core H3

The Hard Core H3 exhibits robust utility, yet it maintains a lightweight, aggressive architecture. The H3 features adjustable shoulders and waist, and uses BRAVO cut panels for enhanced coverage and a more accurate fit. This carrier features our Dynamic Cummerbund System, allowing the user to breathe and move much more efficiently. Its shoulder strap geometry offers enhanced ergonomics and communication channeling. The H3 features the Quad Ventilation Liner (QVL) system for improved heat management and air circulation. The generous MOLLE design offers superior user customization. The Hard Core H3 accommodates Peraflex System pouches for streamlined load-outs.
